

28<sup>th</sup> April 2017

Dear Member

It is with great please that we welcome Rabbi Alex Chapper, his wife Rebbetzen Eva and their family into our community this week. His arrival marks the next step in the growth and development of our community. Whilst he will be spending more time on Shabbat at our Yavneh services his responsibilities will be across the whole community and I hope you will all take the up and coming opportunities available to you to meet him over the next weeks and months.

I would like to take the opportunity to thank Rabbi Kanterovitz and Rebbetzen Bianca for so admirably "holding the fort" since Rosh Hashanah, and Rabbi Finn for his hard work and dedication to the community (and especially Yavneh) over the past 8 months. I know Rabbi Kanterovitz and Rabbi Finn are both very much looking forward to working with Rabbi Chapper and welcoming him to the BES Rabbinic team.

On behalf of the whole community we wish Rabbi Chapper and his family Hatzlacha Rabba.

Yours sincerely

Anne Gordon  
Chairman – BES
