DEBORAH AND JOSH PYZER, BES YOM TOV YOUTH TEAM LEADERS

We are looking forward to joining project Tishrei this year! We have now lived in Borehamwood for 2 years and we love being a part of the ‘wood. Before we moved here, we were the youth directors at Bushey Shul for 2 years, and Josh was previously the youth director at Stanmore Shul.

Between the two of us, we went to school at JFS, Yavneh and Hasmo, we spent our gap years in Israel studying and went to university in London at UCL and LSE. We are now working: Josh is an investment analyst at Aon (they used to sponsor the Manchester United kits!) and Deborah is a trainee solicitor at Bevan Brittan LLP (in case you want any free legal advice).

If you see us at Shul, please come and introduce yourselves! The sooner you come and say hello to us, the more likely we are to take your Kiddush food preferences into account! We are excited to get to know you and hope to start the New Year off with a bang!

Deborah and Josh will also be supported by Jordan Bernstein and Datya Kanterovitz.
